DEPARTURES. For Kauai, per stmr Mikahala, Sept 17-Mrs W H Rice, E Streety, R Fountain, Mrs Crowningburg, Mrs Bertelmann, Mrs Rahe, J M Levinho and wife, D Trask, wife, and 2 children, 2 Chinese and 60 deck passengers.

day 803 bags paddy, 200 bags rice, and 600 bags sugar.

SHIPPING NOTES.

LOCAL AND GENERAL.

The Mikahala did not leave for Kauai until last evening.

Monthly meeting of the Y.M. C. A. this evening at 7:30 o'clock.

The brig W. G. Irwin is eighteen days out from San Francisco.

The members of the Y. W. C. T. U are preparing an entertainment of tableaux, to be given at an early.

The W. C. T. U. will hold a meeting at 2 o'clock this afternoon at the canoes, as are given in his Vestiges required to start with. The cos-Y. M. C. A. Hall.

"The Third Warning Voice," as published in our columns yesterday, was a verbatim copy from the original.

Mr. Morgan sells groceries and provisions damaged by fire at Mr. C. Hustace's store at 10 o'clock this morning.

A special meeting of the Kahuku Sugar Company will be held at 2 o'clock this afternoon at the office of Mr. Jas. B. Castle.

A white man giving the name of Hugh Neill was found in a sand hole on Punchbowl early yesterday morning and taken to the Station House.

A few minutes before ten o'clock last evening two white men were seen by three native boys, attempting to open the door of the kerosene warehouse. They ran away when they saw the boys approaching. The boys told Capt. Crane, who looked around to see if he could find the two men, but was not successful. The captain reported the matter at the Station House. One was a tall man, the other a short one, so the boys said.

THE FINANCE COMMITTEE AGAIN.

Mr. Wilson Shows the Committee Up. BUREAU HONOLULU FIRE DEPT., Honolulu, Sept. 8, 1890.

Hon. E. C. Macfarlane, Chairman Finance Committee Legisla-

tive Assembly, 1890.

SIR: At the last monthly meeting of this department, reference was made to the comment in your report on pages 7 and 8 respecting, the \$50 retainer of Mr. F. M. Hatch. It being the sense of that meeting, I respectfully submit the following in explanation of the matter, regretting very much that the Finance Committee, of which you are its able chairman, did not see fit to "enquire into the merits of such cases.

entitled E. B. Thomas, plaintiff, vs. George Norton, defendant, allow me to inform you that Norton was merely a nominal defendant, and is the Honolulu Fire Department itself. This fact would have been made apparent to you, had you undertaken the trouble of enquiring into the merits of the matter. Court was in the nature of an apas to whether or not the Department itself under the statute raised namely-that aggrieved can-

writ sued out by Thomas. If Mr. Norton (or the Departgreater than even Mr. Hatch's paltry retainer of \$50, in the cost of a new election.

I have the honor to be sir, Your Obedient Servant, CHAS. B. WILSON, Chief Engineer H. F. D.

SUPREME COURT --- AT CHAMBERS.

BEFORE JUDD, C. J.

WEDNESDAY, Sept. 17. Theo. H. Davies & Co. vs. A. W. Haalilio. Assumpsit. Hearing on default. Partly heard and continued. C. Creighton for plaintiffs; W. L. Holokahiki for defendant.

daily paper of the Kingdom.

CORRESPONDENCE.

We do not hold ourselves responsible for the that road.

statements made, or opinions expressed by our "Quite an Idea." MR. EDITOR: Our Legislature is in session. The great thinkers and mental acrobats of Hawaii have been for some time assembled together in council. Their keen minds and bright intellects have been brought to bear on many all important matters relating to the economic, social and comical welfare of this country. The walls of the Government buildings and of neighboring edifices have re-echoed the burning eloquence of orators such as it is safe to say the world has never heard before. And we Although the suit you refer to is keep it all to ourselves! True it is that in those ports to which Honolulu steamers carry the news of what is going on in this Hub of the that the real defendant in interest | Pacific, the conflict that takes place on the wharves for "the latest from the House of Hawaiian Legislature" is such as would gladden the heart of the blood-thirstiest, and The case filed in the Supreme leaves cock-fighting far behind. Telegraphic wires and cables are peal, the issue being substantially called into requisition, and far and wide, from Greenland's icy mountains to India's coral governing it, has jurisdiction sands, flashes the record of the doover such appeals. While the ings and the sayings of the most plaintiff, Mr. Thomas, denied that unique body of politicians and it had, the Supreme Court decided statesmen it has ever been the good otherwise, and so the suit was dis- fortune of the world to read of, but missed. That suit therefore prac- so far as the joy of listening to and tically settles and in point of fact seeing these great men is conwill estop all such future law suits. | cerned, we keep it all to ourselves. It has settled a point never before | Why do so any longer? Things seen are mightier than things didates should refer their appeals heard. Why put up your volcanoes to the Honolulu Fire Department. as attractions for tourists? Why Your comment that the matter attempt to inveigle them into the was merely a dispute between can- country by promises of a good time didates is unfair. As a matter of and a good climate? Why hint at fact Mr. Norton had previously the necessity of subsidizing an adbeen installed into office, and was vertising paper? If you want therefore an officer of the depart- tourists to come in crowds, let the ment at the time of service of the biennial news be sent abroad that "THE HAWAHAN LEGISLATURE WILL ASSEMBLE ON APRIL 1ST, AND CONTINUE ment through him) had not come IN SESSION FOR SIX MONTHS," and I into Court to answer the writ warrant you, from East and West, which sought to declare the office from North and South, the tourists vacant and a new election declar. | will come fast. Beyreuth attracts ed, the defendant would have been thousands by its "Passion Play." in default and as a result thereof, Why should not Hawaii attract the Department (not Norton) thousands by its "Comedy of Erwould have been put to an expense | rors"? Try it. It's bound to be a grand success. Enlarge the Legislative Hall, build a suitable audi torium for visitors, charge \$1 a head admission, half price after 1 P. M., with season tickets at a fair rate, and families let in on reduced terms. I fancy I see the crowds assembling to take their places, before the dulcet strains of the parson indicate the approaching opening of the polemical and acro-

batic arena. As they go they study the programme of the day's doings. How the Hon. Narrowman will wipe the sawdust, will wipe the sawdust, will wipe the sawdust off the floor with Larry; how Wil Hen will execute his wonderful feat of sliding into a gasoline tank along a street slippery with his Nowhere will play a solo on his Spoil Guitar; how Loui Cas will, while holding down a Chinese car-In probate, estate of I. W.Kahiula. Petition of W. R. Castle, administration air with the other a fat Governing we have now will ever be wanted. how Hapahaole Bros. will (without damage to anyone) shoot their jaws right off; how Kahula will turn his coat outside in, and himself from inside out; and how in addition to all this Cob will delight with his intoxicating eloquence, Corner will

descant on the Money question, and distribute his great work entitled "Corner's Curiosity, or a Fortune Thos. K. Nathaniel vs. S. K. Pua charge will be made; Iceberg and German Emperor, and each and everyone of the Members of the House will in turn exercise their well-known talents in such a way as will insure pleasure to the public and profit to the kingdom. The whole might conclude with a grand

"Third Warning Voice." A company might readily be formed to carry out the scheme I have planned. But little funds will be was published here some three years. simple suits of striped calico with rest on the same basis. Then promptly put it into execution, and

> "THE MAN IN THE STREET." ----The Hawaii Railway. (Concluded.)

for and much desired tourists.

MR. EDITOR: Statistics in America tell us "that for every dollar expended in building railways in a new country adds \$10 to the value Manitoba system of railways was extended in 1887 through Dakota and Montana, a distance of 545 THE ADVERTISER is the leading miles, at an expense of \$8,175,000,

eighty millions of dollars of wealth were added to the taxable property of that country by the building of

Is it any wonder that the United States is the richest country on earth, seeing it has more railroads than exists elsewhere in the world? Suppose we apply these statistics to this region after it becomes developed by the building of this road and see how it igures. Four million dollars will be required to A. NEW . HAWAIIAN . GUIDE . BOOK build the roads necessary to fully develop this district. This four millions multiplied by ten figures forty millions.

Lest these statistics be faulty. and to be on the sife side, let us drop one-half of this sum. Even then when this disrict is fully developed there will be twenty million dollars of taxble property in this district over ind above what exists there to-day

Now, gentle realers, if this is a true forecast of the future if these roads are built, let me ask what is our duty and the luty of our lawmakers, to our comtry, to our people and to the coming generations? Shall we go for this twenty million dollars or sall we forbear, and appropriate the country into | Per Island mail, postpaid, 64 Cents; debt, cease improving and provide

no way of payment? Can we afford to neglect this important district and turn a deaf ear to these petitioner and slight this largest of all the islands? We must be just. This improvement has been long preceted and until

now neglected. A period has arived in our country's history wher we can no longer afford to neglect his improvement. The debts we ar constantly increasing must be met by further development of our resources. Present development will never pay them, and the funning expenses of the Government. Hence our debts demand inprovements for their safety. These petitioners demand the improvement contemplated by this rad Both political platforms demand "public improvements," and a the improvement contemplated is the most important of any yet name, as well as being the longest conemplated, it must have its share of attention and as-

While other inprovements will yield only thousands, this will yield scores of thousands for the Government. Yes, mee than all other improvements ow projected for

improving the ountry. Shall we tur a cold shoulder to this, the most properties when it requires so little assistnce to start with. This enterpris may prove an elephant to its rojectors, but not so to those who re made rich by the enhanced value of their property, or to the Government, that will reap a rich eward yearly, if the Lime and Cement, enterprise succeds.

Although his is the largest and most promisi g enterprise of public improvementhow before the public, it is not the aly one, but certainly | Compounds and Roofing it deserves asistance.

No more improving means that the maximun o' wealth and production have already been reached. In that case, there will never be but little more vealth or business than at present. Hence no more mechanics, lawers, merchant's Let me ask then, what are the strangers that cme to these shores to live and our hildren agoing to

do when they gow up? Shall we set them down as 'paupers" in the streets after having spent large sums for their education? Or sall we be enterprising and open avenues for employment and busines for them?

The natural alvantages of these Islands if fully developed would no doubt sustaincomfortably, half a million of people, but we must move forward, ve can't stand still and prosper. I business, activity is life, stagnation death.

The taxable values of this Kingyears. If by improvement we can double it the coning twelve years we think it shald be done. So that in 1902 there would be one hundred millionsof taxable values in the country where fifty millions now can only be found by the as-

New Adurtisements.
